SERIES: AUG 2019

TIME: 2HOURS

Instructions to Candidates

You should have the following for this examination

- *Examination Pass and Student ID*

This is Television Production Techniques II PRACTIAL PROJECT to be submitted on the exam date. Grading is on a continuous basis and you are therefore expected to attempt all tasks.

Do not write on the question paper.

Television production is team work. Information for on-air and offline productions are packaged with a team well rounded producing an array of high quality content using the relevant software.

In groups of not more than eight, you will produce a television program of not more than 25 minutes with the following specifications:

1. News (10 Minutes)
2. Feature (7 Minutes)
3. Discussion (7 Minutes)
4. 2 Adverts (30 Seconds each)

You are required to adhere to the following:

1. Provide program scripts
2. Agree with the supervisor on the scripts then proceed to record
3. Edit the content using Adobe Premier Pro
4. After editing, burn the content on a recordable DVD well labelled.
5. The project must be accompanied by a progress report detailing the hurdles faced, lessons learnt and the areas of improvement.
