Instructions to Candidates

You should have the following for this examination

-Answer Booklet, examination pass and student ID

This paper consists of **FIVE** questions. Attempt question ONE (Compulsory) and any other TWO questions.

Do not write on the question paper.

Question ONE

Peter, Anthony, Mwamburi and Sarah are experts in motor vehicle repair and maintenance and shareholders of GN Motors Ltd., a company which imports and sales motor vehicles. The company members elected them to the board of directors in 2024 to assist in making proper policies due to their expert knowledge in engineering. The company ordered motor vehicles from a Japanese company called Hiroshima Motors corporation and engaged the services of Bing Bank Ltd as the paying bank. Bing Bank paid Hiroshima Motors Corporation after receiving the bill of lading which was conveyed by means of an international courier. On 11/3/2024, GN Motors Ltd board of directors approved the enlargement of the yard where vehicles are temporarily stored and employed John as a store's manager to in charge of the storage of spare parts and imported cars within the premises. The board approved the contract with Dash Security Company Ltd to manage

security in their business premises. On 21/3/2025, Dash Security Company Ltd brought their security men to take charge of the main entrance and the back entrance.
