Question 2 (20 marks)

a) Briefly outline the procedure for arranging furniture in a room (10 marks)

b) Sketch the conventional symbol for the following building materials in section

- (i) Hard core
 - (ii) Planed timber
 - (iii) Ground/Earth
 - (iv) Stone wall
 - (v) Roof tiles
- (10 marks)

Question 3 (20 marks)

a) State **TWO** specific requirements for the following areas in a residential building

- (i) Bedrooms
 - (ii) Kitchen
 - (iii) Dining room
 - (iv) Living room
- (8 marks)

b) Using a scale of 1:20, draw a cross-section of a stair from the ground floor up to and including the first landing given the following information.

- (i) Flight width - 1200mm wide
- (ii) Tread size - 300 mm
- (iii) Waist - 150mm
- (iv) Storey height - 4500mm

Assume any other information not given (12 marks)

Question 4 (20 marks)

a) Write the following abbreviations in full

- (i) DPM
 - (ii) G.L
 - (iii) RWP
 - (iv) WC
 - (v) VP
- (5 marks)

b) Figure 1 below shows the design of a one-bedroomed house. Using the scale of 1:50 draw the floor plan and dimension it, indicating the door and windows.

Assume any information not given.

(15 marks)

5500

Question 5 (20 marks)

Design and draw a 2 bedroom bungalow satisfying the following requirements.

- Bedrooms - minimum floor area = 10 m²
- Least room dimension = 3m
- Sitting room – minimum floor area = 15 m²
- Corridors/lobbies: - at least 1000mm wide
- Verandah - at least 1800m wide
- WC and bathroom (separate)

(20 marks)
